

Job Posting
Service Technician (Full-Time)

Hayhoe Homes currently has an opening for a full-time Service Technician.

Position Summary: Reporting directly to the Service Manager, the Service Technician will ensure the timely completion of all aspects of service work required on new homes.

Qualifications:

- At least two years of experience in all aspects of new home construction.
- Extensive experience with carpentry and drywall repair.
- Experience with general maintenance of new homes.
- Knowledge of the new home building process.
- Strong organizational and communication skills.
- Ability to perform in a self-directed environment.
- Valid Driver's License.

Additional Qualifications:

- Ability to efficiently plan, schedule job activities, and maintain adherence to the planned schedule.
- Ability to coordinate all aspects of service work with homeowners in a manner that maintains total homeowner satisfaction.
- Ability to communicate effectively and professionally within all levels of the Hayhoe Homes organization and the homeowners of Hayhoe Homes.
- Ability to solve problems as they arise during a job.

Interested candidates can apply in confidence to Brianne.thiessen@hayhoehomes.com no later than 5:00 pm on April 26, 2024.

We are an equal-opportunity employer. We thank all applicants for their interest; however, only those selected for an interview will be contacted.
