

**Hayhoe Homes**, a leading homebuilder and developer in St. Thomas, Ontario, is looking for a dynamic, positive, and enthusiastic candidate to join our team as a Service Technician. The role of the Service Technician is to ensure the timely completion of all aspects of service work required on new homes.

**Job and Employer Benefits:**

- Full time position with competitive remuneration package.
- Opportunity to work and learn at a high-quality home builder.
- Job location in St. Thomas offers more cost-effective housing options for those seeking to enter the home ownership market. Hayhoe Homes offers discounts on home purchases to employees.
- Family owned and operated business with a mission to provide high quality service.
- Opportunity for advancement for the successful applicant who demonstrates a high aptitude and willingness to learn.
- Company funded Health Benefits, Group RRSP plan and Profit-Sharing Plan.

**Applicant Requirements**

- Extensive experience with carpentry, drywall repairs and general maintenance of new homes. Knowledge of the new home building process and Experience with TARIION Construction Performance Guidelines, 30 Day and One Year Lists.
- Strong organizational and communication skills and the ability to perform in a self-directed environment.
- Valid Driver's License

**Applicant Additional Qualifications:**

- Two years' experience as a journeyman general construction worker on contracting jobs of \$100,000.00 or higher, preferably at the general contractor level in the home building industry.
- One year of experience supervising the work of subcontractors.
- Ability to efficiently plan, schedule job activities and problem solve, while coordinating all aspects of service work with homeowners in a manner that maintains total homeowner satisfaction.

Interested candidates are requested to submit a resume and cover letter in confidence to:
